

AREEE2022

SINGAPORE | MARCH 27-29, 2022

ABOUT AREEE

The 2022 3rd Asia Conference on Renewable Energy And Environmental Engineering (AREEE 2022) will be held in Singapore during March 27-29, 2022. The aim of the conference is to provide a premier platform for environmental engineers and researchers to present their works and to share experiences and ideas in renewable energy and environmental engineering with experts and scholars from around the world.

The conference program will feature keynote and plenary sessions, oral and poster presentations. Distinguished speaker will be invited to deliver keynote speeches and invited talks on emerging technologies in renewable energy and environmental engineering. Attendees will have the opportunity to interface with experts from all related fields. Prospective authors are invited to submit their papers in English. Interested parties without papers are also invited to participate as attendees at the conference as listeners.

PUBLICATION

- Submissions will be reviewed by both the conference committees and accepted papers will be included into *International Conference Proceedings*, which will be submitted to **Ei Compendex and Scopus** for indexing.
- Selected papers after being extended will be recommended to *International Journal of Environmental Science and Development* for publication in a special issue, which will be indexed by **Scopus**, Chemical Abstracts Services (CAS), CABI, DOAJ, Ulrich Periodicals Directory, Crossref, ProQuest, etc.

SUBMISSION METHOD

Electronic submission system:

<http://confsys.iconf.org/conference/AREEE2022>

Contact e-mail box: areee@iacsitp.com

IMPORTANT DATES

- November 5, 2021 | Deadline for submission
- November 30, 2021 | Notification of Acceptance
- December 20, 2021 | Deadline for Registration and Camera Paper Submission
- March 27-29, 2022 | Conference Date

CALL FOR PAPERS

- Biofuels / Biofuel Cells
- Hydropower
- Solar Energy
- Energy Efficiency
- Industrial Wastewater treatment
- Ecosystem Restoration
- Environmental Process Simulation
- GIS for Environmental Assessment
